

Paprikash od gljiva

VEGAN PAPRIKASH WITH MUSHROOMS AND POTATOES

Ingredients

400 g mushrooms
3 potatoes
2 little onions
2 tomatoes (or 2 dl tomato sauce)
1 pepper (optional)
1 spoonful sweet paprika
1 teaspoon spicy paprika
olive oil
salt and pepper

Chop the onion. Cut slices of mushrooms. Peel the potatoes and cut them into dice. Cut the tomatoes into pieces. If desired you can also add a pepper into pieces (it's not necessary because the sweet paprika is already dried and chopped pepper).

Brown the onion in olive oil in a pot, even if my grandmother used lard.

Add the sweet and the spicy paprika and let it flavor for a few seconds on the onion. Then add the mushrooms, the potatoes, the tomatoes (or the tomato sauce), the pepper, and cover with lukewarm water.

Salt and pepper.

Let cook with the lid for 30-45 minutes. It depends on the kind of potatoes you are using. If necessary, add hot water while cooking.
